The Lodge Grounds

The Lodge Grounds is our hidden secret. Tucked away in the heart of North Berwick, only a 10-minute walk from the train station, it's home to a beautiful aviary, wide open spaces, mature trees, a lavender garden, views of North Berwick Law and the Bass Rock, and a children's play area. We will be working hard to take care of the event site and ask that everybody who comes to visit treats it with respect. Please also leave the site quietly when our events finish late at night.
